

May 1968

CHRISTMAS

and may He continue to use
you for His purposes.

Thank you so much for expediting
and performing my surgery. I know
I would not be here without God using
you as His very special agents.

May the Loro truly bless and guide
you throughout your career and may He
become more real to you each day.

God bless and keep you and your
family tightly in His loving arms.

IN HIS LOVE

JIM & Yolanda Van Aiken
